

CHURCH MESSAGE BROADCASTING

Our Church has initiated this platform using Business WhatsApp to broadcast important messages to our church members who had opted for it. Members who wish to receive these messages from the church office need to follow the steps as below.

Step 1: Join the WhatsApp group by scanning the QR code seen on page 1 of E-Bulletin or signage placed at the sanctuary or in our E-Notice Board. This will be your consent to receive broadcast messages within the Church privacy policy and PDPA guidelines.

*Note: 1) Please use your phone camera to scan.
2) You'll not be able to reply or send message to the group.*

Step 2: After completing step 1, please save the church office phone number 6299 2544 as **Parish of Christ Church** in your mobile's phonebook. Then you'll be able to receive the broadcasted message. You are advised not to reply broadcast messages as it will not be monitored and an auto reply will be sent.

Note: If you do not save the church phone number in your phone book, you cannot receive the broadcasted messages!

For any clarification needed on the above process, please contact Bro. Gipson or Bro. Christopher Vimal
